# Foreword

Our lives have been placed in an infinite space imperceptible to our physical senses. We, as individuals, are part of a vast human life cycle. For the Seniors of Onancock High School, a small but important part of our life has been completed. Yet, a very major part lies ahead. Considerable thought, observation, personal analysis and mental probing will be required before we can know for sure the main purpose of the life we are facing. Yet, in time we come to realize how little we really know and how the concept of the life we talk about so fluently is only a tiny speck on the horizon of knowledge that stretches before us.

# Dedicated To . . .

## Mrs. Winifred P. Belote

Now, at the close of our high school years, we often think of the beginning, recalling the days spent under your guidance. You, Mrs. Belote, the teacher and individual who really got us started, are foremost in our memories. We thank you for your interest and concern in all that we undertook and for your wonderful sense of humor, which livened every day we spent in your classroom.

It is with a great deal of respect and admiration that we dedicate our 1968 TRIDENT to you.

# Class History

It's June, 1968, and we as seniors will soon be bidding farewell to our ole' Alma Mater. The years have passed rapidly indeed; now there are only the fond memories. As we think of our last four years here at O.H.S., our minds are filled with some of the happiest memories of our lives. Let's retrace some of these memories.

In 1964, O.H.S. opened its doors to one of the most mischievous groups in its history. We were amazed, yet eager, to begin our high school days. Under the supervision of Mrs. Chanley and Mr. Fleming, we settled down and elected our class officers: Tony Lewis, president; Bill Chandler, vice-president; Vicki Horner, sevretary; and Karen Harrison, treasurer. We welcomed our new classmate, Jane Hardison from North Carolina. Our girls joined F.H.A. and Cathy Irvin and Charles Kelly were appointed as S.C.A. representatives. Many boys participated in junior high football and basketball. Cathy Irvin, Ann Daley, Irene Drewer, Denise Elliott, and Denise Ayres made the varsity basketball team. In the spring, Tony Lewis, Tommy Northam, Craig Ayres, and Tommy Killmon were chosen for the varsity baseball team, while Vicki Horner, Gail Evans, Ann Bowling, Irene Drewer, and Diane Justis were chosen for the varsity softball team. To close our freshman year, we held a hayride which took us on a fun-filled trip to Smith's Beach.

Sun-tanned and sorry that summer had passed so quickly, we returned to the "sacred halls" of education under the direction of Mrs. Chanley and Mrs. Booth. Our officers were Tommy Northam, president; Patty Williams, vice-president; Laura Fincen, secretary; and Ann Bowling, treasurer. Again we welcomed another classmate, Michael O'Neil, from North Carolina. Cathy Irvin and Vicki Horner were chosen varsity cheerleaders, while some of our boys played major roles in varsity sports. The Beta Club and Tri-Hi-Y opened their doors to us. To climax a great year, we held another hayride. Little did we realize that half our high school days were at an end.

Another summer soon faded away. When we returned to O.H.S. in 1966, we found Mrs. Richardson and Mrs. Booth directing this group of "jolly juniors". Our class officers were: Craig Ayres, president; Bryan Smith, vice-president; Jane Rogers, secretary; and Vicki Horner, treasurer. We welcomed three new members to our class: Scott Webb from California, Eliza Davis from Buckingham County, and Flossie Riddle from Pennsylvania. The major event of our junior year was the arrival of our cherished and long-awaited class rings. Our boys and girls were again active in sports, and Ann Bowling and Karen Harrison were chosen cheerleaders. Many juniors assisted in the publication of our school newspaper, while others served in the various clubs. Selling stationery was our project for the year. After taking the dreaded college boards, we closed the door on another great year.

In 1967, we entered O.H.S. just a bit more sophisticated under the guidance of Mrs. Kellam and Mrs. Booth. For our senior year, we elected Bryan Smith, president; Scott Webb, vice-president; Janet Custis, secretary; Craig Ayres, treasurer. We welcomed Steve Cooper from Washington, D. C. to our class. The ordering of name cards and invitations made us realize that graduation was near. Selling cookies and stationery and filling college applications took up the earlier part of the year. Meanwhile, the Trident staff directed by Irene Drewer and Bryan Smith, settled down to a year of hard work. Thanksgiving soon came with the crowning of our king and queen, Tommy and Karen. Before we knew it, graduation was here. The latter part of the year was spent practicing for graduation, trying on caps and gowns, and taking final exams.

Twelve years have passed. We have reached a milestone in our lives; the vast and unknown future is ahead.

# Class Prophecy

Dear Mrs. Booth and Mrs. Kellam,

I don't know how anyone ever lived before this new space age; it is so convenient!

Just last week, I was on my way from one side of town to the other (Boston to Norfolk) in the pneumatic tube to collect some information on my new novel, when I happened to meet with TOMMY NORTHAM. TOMMY, whom I am sure you have read about lately in the paper, was on his way to the space diamond in Washington to pitch another no-hitter for his famous team, the Psychedelic Sox.

Before we knew it, we were in Washington and had had little time to speak of our high school days. Therefore, I decided to accompany Tommy to the information bureau. There you can look up any person and find what has happened to him in the past ten years.

Even before we had a chance to look up any of our old classmates, we ran into DONNA WILLIAMS and WANDA LILLISTON who were working at the bureau. Both said that they had often had classmates in to check on their friends, and that they had set aside a file for the Seniors of '68 at Onancock High.

Tommy and I then checked on our scattered friends, and this is what we found:

NED FINNEY has become a Federal Game Warden and has just published two books entitled WAYS OF OUTSMARTING THE BLACK DUCK, which deals with the scientific aspects of duck hunting; and SHOOTING OVER CORN, an adventure story.

FLOSSIE RIDDLE has worked up to high-ranking commanding officer in the Women's Marine Corps. She commands at least 900 women marines.

STEVE COOPER as a boy gained his hard-earned driving skill on the road or in the ditches on the way to Chesconnessex. He has just won the Atlanta 500 in his fuel-injected G.T.O. and gives all his credit to his chief mechanic, LEE "PRETTY PISTON" JOHNSON.

VICKIE HORNER went on to college after she left O.H.S.——men's college, that is! She is now the house mother of 101 handsome fraternity brothers.

E.R. CUSTIS, who people claim will be the next Liberace, has just finished playing his famed piano selections for the Queen of Baghdad and is scheduled to play at Carnegie Hall next week.

JANET CUSTIS, the world renowned fashion designer, is now heading the Mod Department at Saks Fifth Avenue.

BRYAN SMITH did such a good job as co-editor of our annual that he pursued his ambition further and is now chief editor of the ONLEY TRIBUNE, the world's leading newspaper.

ANN ADAMS is now a highly paid secretary to ANN BOWLING, who with all her brains is president of the biggest rocketship transportation firm running from here to the moon. DENISE ELLIOTT, often found on the moon, is head stewardess on the largest of Ann's ships.

LARRY HARRISON has just purchased the National Brewing Company and has also hired his life-long friend, DENNY CROCKETT, as head brewmaster.

KATHY DALEY with her famous side slide step, has formed a team with Fred Astaire and is teaching it to the world. GAIL EVANS, who is an even better dancer now than she was ten years ago, caught on to KATHY's dance quickly and is found in the newest, wildest discotheque.

MARK PRUITT, an all-American tackle at Alabama under Coach "Bear" Bryant became an instant all-pro while playing for the Norfolk Neptunes and has just had a book written about himself, entitled THE VIOLENT WORLD OF MARK PRUITT.

CLAUDIA SAVAGE, who was trained at IBM, now controls Onancock High School, which has no teachers and is run entirely by machines.

FLOYD REDMOND has established a great reputation while acting as head embalmer at the Lilliston Funeral Home and is now the most sought-after mortician in the country.

DEBBIE SHRIEVES decided against Goldey Beacom and became a doctor. She has just recently made a most remarkable kidney transplant——remarkable because it was on herself.

# Class Prophecy

JOHN WHITE, one of the nation's leading trackmen, established a world's record of 43 seconds flat in the 440-yard dash while winning in the 1976 Olympics. He says he owes all his success to "Frosty O'S," that miracle cereal.

LAURA FINCEN, who always had so many male admirers, finally married and settled down. She now has 10 of the 20 children she dreamed of having in her high school days.

BARBARA BALDWIN AND ELIZA DAVIS remained on the Shore after graduation and saw the jet age take over. They now live in the most modern psychedelic houses in the county of Accomack, complete with strobe lights and all.

COL. AL "ORBIT" McMATH and his navigator, CAPT. CHARLIE "SUGARBEAR" RUSSELL, were the first United States Astronauts to land on the moon and then return to earth. They have written a book about their adventures, entitled THE MAN IN THE MOON.

KAREN HARRISON was very photogenic in high school. She started off her career in secretarial work but was discovered by the photographers, and her picture can now be found on nearly all the billboards across the country.

JIMMY MASON, through long hours of hard work, has established one of the biggest farms in the East, and this beautiful acreage can be seen on the outskirts of the city of Tasley.

IRENE DREWER has advanced from the editor of our annual to the editor of the ASTRO TIMES, which is popular throughout our whole universe.

CHARLES KELLY has recently opened a string of Tip-Top Food Markets, which now extend the length of the East Coast. He has hired EDDIE CUSTIS as the chief butcher of his largest store, located in the city of Onley.

CATHY IRVIN made it successfully through Randolph Macon in a short three years, and is now president of the student body of Inter-planetary Space College.

JAY FENTRESS, who has achieved fame as a motion-picture producer, is now producing his biggest movie, "Tarzan the Apeman" starring TOMMY LEWIS.

ANN DALEY after graduating from Peace, Brevard, and Longwood is still waiting for her acceptance to Westhampton where she really wanted to go.

TOMMY HINES, an all-American center at Chowan College, is in the process of leading the Minnesota Muskies to their first American Basketball Association League title since they were organized in 1967.

PATTY WILLIAMS AND SANDY WIMBROW, happily married to their great hunters, are now living in Africa and are sending their children by hydro-jet to good old O.H.S. every morning. Driving the hydro-jet bus is LINDA CARMINE, who still has her infectious giggle.

TOMMY KILLMON, with his great hitting and defensive work behind the plate, has finally led the New York Mets to their first National League Crown.

DIANE JUSTIS has built her very own gas station between Princess Anne and Salisbury, Maryland. She and Terry are always willing to help anyone who is out of gas, no matter how late.

GEORGE DAVIS was appointed A.B.C. Officer of the Eastern Shore five years ago and has finally stopped the sale of moonshine liquor on the Shore. He is rated for his efficiency on the same level as Scotland Yard's Sherlock Holmes.

DENISE AYRES now has her own oyster bar down on the water. Larry is the head waiter.

CRAIG AYRES, that multi-million-dollar bachelor known the world over for his way with beautiful women, has just been rated "Playboy of the Year" by the World Press.

SCOTT WEBB, an excellent surfer, has established a surf-board factory in Onancock. All of his lightning-fast boards are tested in the heavy surf known as the "Pipe Line" near Deep Creek by World Champion Surfer TONY LEWIS.

# Activities

# Student Council Association

The Student Council is an organization for the students, giving them a view of democratic procedure. The Council provides good relationships among students, faculty, and administration.

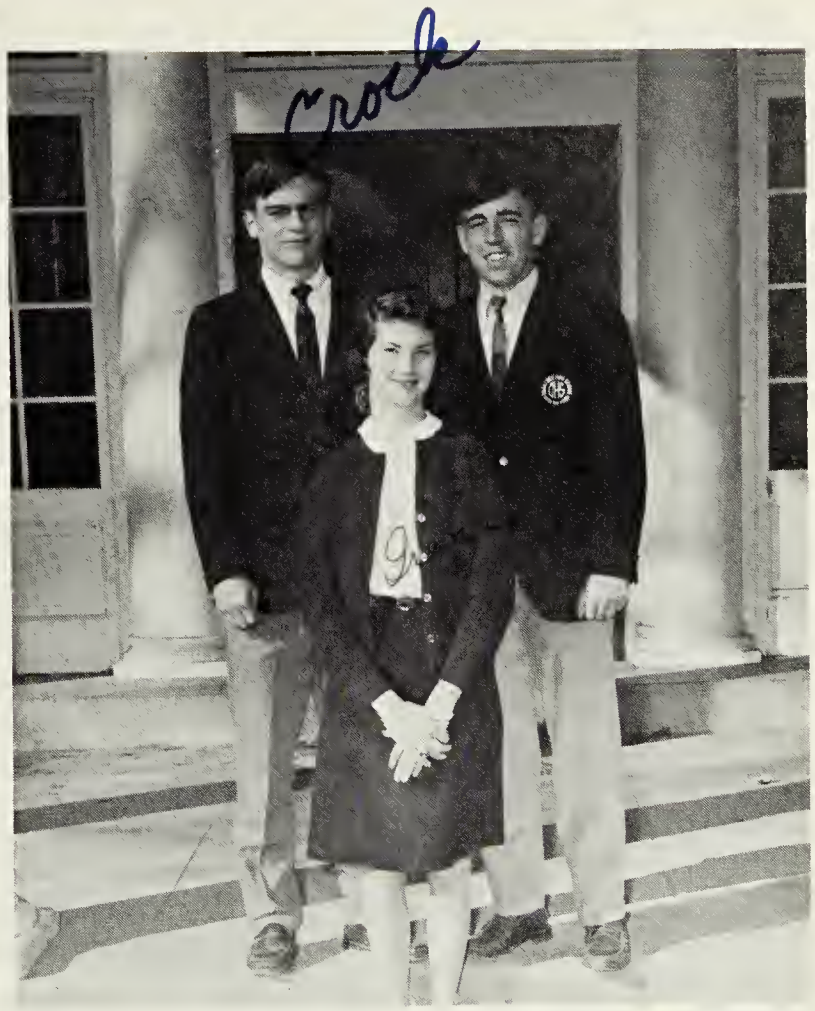
This year's SCA, headed by Cathy Irvin, was quite active. In addition to adding seventy-five dollars to the treasury, two flags to stand at each end of the stage were purchased. At Christmas time the decorated tree caught the eyes of all passers-by, adding to the joy of the season.

OFFICERS: Lola Ruediger, Sec.-Treas.; Cathy Irvin, President; Jo Fincen, Vice-President.

# Beta Club

To become a member of the National Beta Club is one of the highest awards that a high school student may receive. To be eligible for membership a student must not only have good grades but he must also have qualities of good character, scholarship, leadership, and service. The purpose of the Beta Club is to recognize and promote these qualities throughout the entire student body.

Each year induction ceremonies for new members are held.



OFFICERS: Crocky Gordon, Vice-Pres.; Irene Drewer, Sec.-Treas.; Tommy Northam, Pres.

The purpose of the Tri-Hi-Y Club is "to create, maintain, and extend, throughout the home, school, and community, high standards of Christian character". Members have attended the Eastern Shore District Conference and are making plans to attend the Model General Assembly in Richmond this spring.

OFFICERS: Ann Daley, secretary; Eliza Davis, President; Terry Gibb, Chaplain; Dee Dragan, Vice-President; Lola Ruediger, Treasurer.

# Tri-Hi-Y

# Future Homemakers of America

The Motto of the Future Homemakers of America is "Toward New Horizons". This theme is carried out in all phases of future homemaker study and activity. The main purpose of the organization is to prepare the girls of today to take on the responsibility of homemakers, mothers, and the best possible citizens of tomorrow.

The Future Homemakers organization is nationwide and offers no limits to the ambitions and energies of its members.

Some of the activities undertaken by the Onancock chapter include Senior Citizens Day at the Hermitage, a panel discussion with Mr. Donald Sawyer as moderator, and redecorating the kitchen in the Home Economic building.

OFFICERS: FIRST ROW: Laura Fincen, Pres.; Trudy Ward, Vice-Pres.; Sandy Wimbrow, Sec.; Kathy Daley, Treas. SECOND ROW: Diane Justis, Chap.; Jane Rogers, Reporter; Denise Elliot, Pianist; Ann Adams Songleader; Irene Drewer, Historian.

The purpose of the Parchment is not only to give students experience in journalism but also to maintain a high standard of education and morality.

The Parchment has improved this year in several ways. For the first time there are two junior editors. Because the newspaper has no advertising, it is self-supporting.

The staff consists of twenty-five members, who try to provide the student body with a good paper.

Ann Grinnalds, Co-editor; Charlie Russell, Editor; Dee Dragan, Co-editor.

(Dunnie)

Best of luck to a "great guy". Remember all the fun we've had in 5th period study. I have lots of fun this summer, & stay healthy.

Charles K

Custis,

This has been one heckava rollicking school year. We've killed or nearly killed 8th graders, slaughtered Ann G, at cards, etc. All I can say is keep up the great work and remember me always as the guy that's going to kill you when I get a new silencer.

I don't love you,

Jet

Dennis -

You know I couldn't possibly write down how much I've appreciated our friendship - it means so much to me. I don't have many good friends but I do know you are one. Even though we've had our fights I didn't mean anything by it. O.K.? I guess they were just words. Thanks for taking my books to homeroom and for opening the door for me every morning. Believe me - to me every little thing counts. After this year ends we'll only have one more school year together so let's make everything we do something special and something to remember.

LOVE
Mary

Dennis,

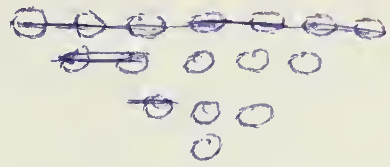
Someday I'll forgive you for scorning me so after a ridiculous bid!! You really — you are my favorite bridge partner (with curly hair) I've enjoyed all those Sunday evenings down a Señor Barnes's house — they've really been great always had such great philosophies ___ "Dealer makes the rules." "He can't play this hand icause the bell just rang." "Oh, no! I don't care if the bell did ring — we're gonna play this hand!" "Remember — the dealer mak the rules." You wouldn't try to cheat or anything would you, Dennis?!! Whenever you want a laugh, think about the day we tied you to the seat — that wasn't very funny!! And you ruined my chemistry lab book by publicizing the facts that I'm overweight, crazy, and conceited! I'll return the favor sometime!! Really, I'll never for- get all these terrific times we've had and I'm gonna be laughing about them for a long time to come. Take good care of good ole OHS next year, and I'll be right behind the good ole basketball captain. After all — being captain of the basketball team is pretty spectacular!! Try to get Barnes for study hall next year so that the first time I come home we can play some bridge — that is if Barnes lets you play more than two lousy days a week!! Be awfully good and think of me kindly — if possible! I'll always remember you and the good times we've had — and OF COURSE — your curly hair!

Fondly,
Cathy Goren Irwin

WOW

Dennis
Best of luck
always to a
real sweet friend.
It's been great knowing
you so well this year.
Thanks for taking me to
the game! I'll always re-
member Study Hall and all
the fun. Be good next year
and take care of O.H.S.
Love,
Karen

Dennis;



Although the only way you beat me was through honest-to-goodness cheating, I will always remember our Tic-Tac-Circle tournaments in 5th period study hall. Good luck and leave some clams for me please!

Charles Franklin (3, 2, 1,)
Russell II

Dennis,
Boy, it's been a long year, but good. Remember all the fun we had this year playing football basketball and ~~bridge~~ bridge. Just think, next year we'll be seniors, you'll be BKB captain and we'll go undefeated in FB, BKB, BB, and track. ~~Dot~~ Don't let the claw population get too low this summer, or the CNT will have to be closed down.

Crocky

Dennis
Best of luck in the future. It's been a great year but next year will be better! Be good this summer. Watch out for the girls!
Gary

Dennis,
Best of luck
to a great guy,
even though
your favorite
pastime is beating,
locking in closets,
throwing water on
girls. Remember those
great times, you know
which, anyway who
can forget them. Have
a great summer!
Love ya,

Dennis,
Best of luck always. Remember we'll be seniors next year and that should bring lots more fun.
Love ya!
Gayle

Dennis,
Best of luck this summer. Don't drive that old Chevy "clam" of yours too much because she might fall apart. Never forget the great times at the car wash and in chemistry & Physics.
Richard
"Parker"

Dennis,
Just think next year we'll be "seniors". Best of luck for the future. Remember the homeroom & study halls of '67-'68. Remember the New York trip & all the crazy things that happened ~~at~~ on it. Remember the Root & Heart games that you wouldn't let me play. Well, if I was playing you took over my hand. I guess I'll forgive you. Remember "Rodriguez" as if you can forget. Try & be good & have fun this summer.
Love
Rita

Dennis,
Remember all the good times together, study hall and especially Chemistry. Keep in mind our homeroom checks and especially your singing. How could I ever forget!
Be good this summer and have fun.
Jeannie

To Big Custer,
Well, at the moment it's 1-1 in the big pocket billiards tourney, but superior coordination is gonna come thru in the end. Take it easy on the Clam, and don't wear any holes in your track shoes. Keep at the bridge.
— Chico
Yoren

Dennis,
Remember all those wild lunch periods in Mr. Lohr's room. Also the bridge games in study hall. Best wishes always.
Rose G.

Dennis,
To a real neat guy who
i'll never forget. Remember
1st period and all the good days
we've had together, We're mighty
juniors now and next year will
be the best of them all, I hope.
Be good to the girls this summer
and try not to race the old
"Clam" too much. maybe
someday you'll be able to put
Robert Cobb or Davis in the same
situation. Best of luck in the
future and may you have much
happiness in the future.

your Friend,
Perry R.

Dennis,
To a good friend

lunchtime.

Dennis,
Remember all our
good times. I know
you enjoyed drowning

Since you enjoy Roller

write that name you hate.
Let's leave the school with
lots of memories next year.

Best of everything to a very nice, friendly guy - stay that way! It's hard to believe you'll be a senior next year! Hope you have a great future! Come see me this summer, & we'll go crabbing - HA

Dennis,
Best of luck to a great guy. Remember all of the good times we had in Chemistry. Have a fun filled summer + be good

Lee

Dennis -
Best wishes. To a good friend & football player. Remember all the fun times we've had at practice. Have fun this summer - I'll see you in football.

Curtis,
Don't have too many riot problems in the Curtis Neck Alum Area and if you do bring out the Curtis Neck National Guard to control them. Have a good summer and don't drive while clamming.

Carl

Dennis,
Best of luck in the future to a fellow member of the class of 69. Remember all the fun we've had - our "great" class meetings! Be good & come see me!

Love,
Billye D.

Dennis,
Where can I start, with everything we've done there isn't really enough room. Remember all the fun we've had... all the parties, the basketball games, the play, our trip to New York, and just being a good ole' O.H.S. Be good and stay out of trouble.

Lola

Dennis,
Well, baby darling, I sure will miss sitting with you on the bus. Who will be the lucky girl to take my place? Seriously, this year has been great, especially the night we played bridge at Mr. Barnes' and ate that luscious food! I don't know what will happen to OHS when one of the most respected and honored people (seniors) is going to be you. Well, I think you can handle it - just don't let all that power go to your head!

Love,
Ann

Dennis,
All the luck in the world to a swell guy. Make next year a good one. I think your class will do fine. (no goof-offs, like ours) Have a good year in football ball and make 'em work hard in BKB next year. Keep socking that baseball as you did today
— April 10, 1968. Best wishes!
— Craig

Dennis,
I want to wish you much happiness & success in the future. Always remember all the fun times we had at 4H camp, choir practice, school, etc. Always keep your good personality. Have lots of fun this summer and make your senior year a good one. Always remember me as a friend. Love,
Sandy

Dennis-
I can't believe I'm signing annuals for the last time. It won't be long before you'll be in my place - bidding all my fond farewells! By I know you - you'll take advantage of next - but be sure too. Don't forget all the good times we've shared - like at Barnes' playing cards and working on the float. Don't ever forget that week at camp - Guess what - I'm going to Atlantic's prom with you know-who - Be good and have a great summer!
Love,
Vicki

Dennis,
Best of luck to a real nice guy. Remember me and all the fun in Mr. Barnes's study. Just think, next year we'll be the "mighty seniors". Kinda hard to believe, isn't it? Have a real great summer and be good.
Ciao ya!
